Lieutenant

I have in my possession a number of "Cotton cards", seized at various times by the Provost Marshals of the Reg.t's Post, on their arrival here; they have been regularly permitted from Nashville Tenn. Applications are made almost daily, by the owners of the cards (who are as loyal I presume, as the majority of the inhabitants of this part of the Country) for their return. If consistent with existing orders, I would like to return the cards to such persons whose character & conduct render them deserving - Will You please (if convenient) let me know by bearer the wishes of Genl Smith in this matter.

I respectfully ask leave of absence to proceed to my home in Philadelphia Pa.
I have been in the Service. Twenty eight (28) Months. And during the past Eighteen (18) Months I have been Constantly on duty with my Regiment, on every expy March and in every action and Skirmish. I have some business which needs attention at St Louis and desire to visit my parents in Philadelphia, who are quite aged and in failing health.

On account of the extremely long time which it would take to go to Philadelphia and return, I would respectfully ask that in case this application is favorably received, that the leave Commence at the time of departure from Department lines, on Cairo R.R. and at that point.

I would add that there are two Field Officers with my Regt for duty, beside myself.

BY ORDER OF MAJOR GENERAL U. S. GRANT.

T. S. Bowers

A.A.G. Assistant Adjutant General

Extract from General Orders, A. G. O., War Department.

Any officer absent from duty with leave, except for sickness or wounds, shall, during his absence, receive half of the pay and allowances prescribed by law, but no more, and any officer absent without leave, shall, in addition to the penalties prescribed by law or a Court Martial, forfeit all pay or allowances during such absence.—*Act of Congress, published in General Orders No. 75, series 1863.*

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable case for pension*, *special care* must be taken to state the *degree* of disability—as ½, ¼, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1254, Regulations, 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. Dear Brother Daughty -

At the request of Journey and Council I am sorry to be informed of your son Alexander Daughty [illegible] brought before me upon a writ of habeas corpus upon the prosecution of the Honble Joseph Galloway Esqr upon the ground that he was a minor and has run away without your consent or knowledge - It appears that he was under arrest for desertion which was a misstep of course & upon his application to me to discharge him into the custody of Colonel Bouquet but I answer - I do not think it to be my duty in consideration of his tender years to extend the summary, the end therefore of the writ of habeas corpus being without your consent or knowledge - and the fact that he is only in fact [illegible] I am that I am going into the making terms of desertion - will not only deal very leniently

with him for the wrongful offence
described in Preston Lewis to your

be dealt with as the law directs -

Your Communi-
cation dated 26th ult. has been laid before Calling for a
return of the papers in the case of Alex Gaugh-
erty, Musician of "C" Co. of my Regt: these
documents were laid by me while in view of leav-
ing actively engaged in the siege; the letter of
Commissariat has been mislaid but I think it
asked that Daugherty be tried on his return to
the Regt on the charge of Desertion and that the
Medical circumstances be stated at the trial.
I do not think the return of the papers was asked
for or should have been done, with a Statement
of the Circumstances of the Case as far as my

knowledge of it extends Enclosed herewith I have
the papers called for. Mrs Daugherty was returned
to the Regt under Guard as a Deserter on or about
the 3d Sept last at Vicksburg, Miss I ordered charges
preferred against him which was done and a Gen'l
Court Martial is now Sitting which will try his
case in a day or two. Respecting the Statements
Made in the enclosed documents, I would say, that
Daugherty was not left at the Memphis Hospital
wounded in the hand as Stated in Mr Charles
Communication: About the 1st week in January 1863
he accidentally shot himself while playing with a
Revolver, which was then Reported up to
the 1st of March the Regt left Memphis, by boat —
for the lower Mississippi, in Company with Several
Regts of Div. Daugherty deserted from the Boat
between Memphis and Vicksburg and was not heard of until arrested
in the State. He had been reported for duty for a
long time previous to his Desertion Both the State

ment of his Enlistment without the knowledge of his Brother previous to it's Com[mence]ment from the 1st Sept of the 6 Co[mpanies] and, Mrs Daughtry was aware of his intention to enlist as Musician in his Brothers Co[mpany] Made no objection to it at the time nor since until the Arrest for desertion was made, and then from all appearances the Habeas Corpus was sued out to obtain a discharge from the Army, in order that he might escape the penalties of his Offence. One of his Brothers was murdered at the Siege of Suffolk by one of the Co A 6th Regt in July 1862 in Consequence of a Contribution of his Co and others in the Regt to Non Resistants Settlers — In Conclusion I would say that Daughtry has for a long time borne a bad Character in the Regt for disobedience of orders and unauthorized absence without leave & has frequently been under arrest —

I am Sir very Respy &c

Kentucky Dear Sir

My F. Channing

Dear Sir

Enclosed I hand you a duplicate Certificate which explains my continued absence

My Leave of Absence was for 20 days commencing May 28th the enclosed Certificate commencing on the expiration of the 20

My mind is doing very well and I should attend the recitations duly without Crutches, but I cannot vouch for my exact carriage or soldierly bearing during said walk

We have elaborate and exciting news from the East but the papers contain nothing

definite in relation to affairs at Vicksburg.

Two days ago the Papers published a dispatch stating that the 10th & 11th Regt made a charge on a Rebel battery capturing it, but were finally forced back, our Regt coming out with but 80 men. It may be so but I do not credit the statement.

I am pleasantly situated at Yazoo but hope to return home.

Very Respectfully Yours

D. L. Laughlin

War Department,

Adjutant General's Office,

Washington, Dec. 3rd, 1864

Sir:

In reply to your letter requesting a Descriptive List of Daniel Lincoln, a Sergt in Company "C", 1st Regiment Missouri Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

Daniel Lincoln, a Sergt in Company "K" "C". Regiment of Missouri Volunteers, a

years of age: but no further "description" can be obtained from the files of this Office. There is no evidence on file that He was enrolled on the day of 186 at the town of in the State of by and mustered into the service of the United States on the day of , 186 , at the town of , in the State of by , to serve for the period of years. or "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the months of August & September that he was last paid by Paymaster to the 30th day of June, 1864.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing: it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

See the above Muster Rolls (the latest on file) for a reference to Sergt Daniel Lincoln. Present for Duty. The Muster Roll which has not been received in Oct. 15th/64, at which date he is by Capt. Smith for three years.

Very respectfully,

Your obedient servant,

Sam'l Breck

Assistant Adjutant General.

(7)

To

Lt. Col. Chas. A. Ladd 1st Mo. S. Cavalry

Little Rock Ark.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by that officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

Leave of Absence for twenty days, is hereby granted 2nd Lieut Solomon M. Elwood, 10th Mo. Infy Vols. to proceed beyond the limits of the Department.

This Leave of Absence is granted under section 31. of an act entitled "An Act for enrolling and calling out the National forces, and for other purposes." approved March 3rd. 1863. and will be noted accordingly, on the proper Muster and Pay Rolls.

BY ORDER OF MAJOR GENERAL U. S. GRANT.

T. S. Bowers

Actg Assistant Adjutant General

Extract from General Orders, A. G. O., War Department.

Any officer absent from duty with leave, except for sickness or wounds, shall, during his absence, receive half of the pay and allowances prescribed by law, and no more; and any officer absent without leave shall, in addition to the penalties prescribed by law or a Court Martial, forfeit all pay or allowances during such absence. —Act of Congress, published in General Orders No. 73, Series 1861.

Officers absent from duty without leave or beyond the time of their leaves, will not be allowed to draw pay until a court of examination, which will be ordered on their return to their post or command, shall determine whether there was sufficient cause for their absence. They will accordingly provide themselves with a full description of the nature and cause of their disability, certified by the proper medical authority, as required by existing orders and regulations.

When an officer returns to his command after having overstayed his leave of absence, he may be tried by a court-martial for this as a military offence, or a commission may be appointed by the commanding officer of his division, army corps, or army, as the case may be, to investigate his case, and to determine whether or not he was absent from proper cause; and if there should be found to be such proper cause, he will be entitled to pay during such absence. The proceedings of such commission will be sent to the Adjutant General of the Army for the approval of the Secretary of War. Such commissions will consist of not less than three nor over five commissioned officers.—Gen Orders, No. [illegible], series 1862.

Colonel

I respectfully ask for permission to proceed to Maine Me. for the space of twenty days. my reason for making this request are that certain property interests in Real Estate has cost me many years of hard labour to accumulate, and will now be lost to me without my immediate and personal attention: A Mortgage upon my Property, (of the existence of which Mortgage I was unaware) has been foreclosed, and I would respectfully ask the above permission for the purpose of obtaining some indemnity from the person from whom I purchased the above Property, or make some arrangement with the Mortgagee.

I have been constantly with the Regiment since joining it: have been on every march, and participated in every Engagement in which it took part and have never yet had a leave of absence though my attention to affairs at home has been badly needed: by granting my request for permission to proceed to Maine Me. you will confer a great favor and prevent serious pecuniary loss to me: the First Lieutenant of my Company is for duty now with the Company & the interests of the service would not suffer by my temporary absence

Lieut Wm A. Fenner, Co. "K"

of the Tenth Regiment of Missouri Vol Inf

having applied for a Certificate on which to ground an application for ~~leave of absence~~ admission to this Hospital

I DO HEREBY CERTIFY, that I have carefully examined this officer, and find that he is now an inmate in this Hospital, sick from Diarrhoea, and debility, and that in my opinion he is unfit for entering to his regiment and that in consequence thereof, he is, in my opinion, unfit for duty. I further declare my belief that he will not be able to resume his duties in a less period than two weeks and probably longer, and therefore should have a regular detail, permitting him to remain here for further treatment.

Sir

I have enclosed herewith receipt and other papers which will explain themselves. You will find a receipt for Enfield Rifles which I exchanged several days after for new muskets. The Papers pertains to the arms dropped. I will with one of the Enlisted men of my Co. to make affidavit to the facts.

You will do me a great favor by sending me a certificate of arms left at Millikens Bend That they were left for want of transportation and was the best disposition that could have been made of them under the Circumstances. Several of the officers told me before I left that they would make affidavit to the facts concerning deficiency of Transportation and that we could not avoid it if we would, leaving Government Property along the Route.

I think it would be desirable to have the affidavits of one or two officers appended to your Certificate. It will serve as a guide to them when they know whether it clears me or not. I wish you would embody in the Same or Send me a separate Certificate That your Regt was well armed and accoutred etc. were not under my Control when we crossed Miss River. They Could not keep up with Regt on line of March. and were left on La. side of the River and afterwards went to Hospital

Direct your immediate attention to this. It is requiring a big favor at your hands, is of great importance to me and probably will save me the cost of 16 Austrian Rifles and enable me to get a Clearance from the Ordnance Dept, then I can get a Requisition without any dificulty. I received my pay to Oct 31st 63 on the Order sending me to Hospital. The Surgeon gives me all the Ale I can drink. And the consequence is I am constantly drinking. If there is a prospect of getting some bourbon through just let me know the fact and the address and I will see that some is Spirited to your Camps. Give my Regards to Col Hapgood Maj Moulton Surgeon Payne Dr Robt Boyd Young Mears Christian Mess. Gideons Band and special regards to its Patriarchal Chieftain also to Co C and the little ones.

Very Respectfully

I have the honor to request permission to tender my resignation. I am not a Commissioned Medical Officer [illegible] I am satisfied from the number of papers sent to officers in this Hospital that it is impossible to get a resignation accepted until I clear myself of all responsibility and to that end. I wish you would Call a board of Survey - have them Examine [illegible] Hospital Clothing &c all Camp and Garrison Equipage and Ordnance and Ordnance Stores and [illegible] Stores there should be in the hands of the Sergeant and absent - 30 Enfield Rifles, Complete. 30 Bayonet Scabbards 29 Cap Pouches 29 Cartridge Box Belts 30 Waist Belts. 29 Cartridge Box Belts 30 Waist Belts. 25 Slings. 28 Steel Ramrods 28 Rifle Pipes 30 Screws 14 Worms &c. If any parts of Muskets or accoutrements are short they should be Charged on next Muster Roll to the Men Loosing them. 1 Bayonet and 1 Scabbard and 1 Complete set of accoutrements should be charged to Sergeant Wilcomack on next Muster Roll. He has them in the Hospital. Should there be any of the above items over to be stored at Delta House, you will be a great favor by pushing the matter. Send me Duplicate Invoice of Camp and Garrison Equipage and Ordnance & Ordnance Stores

[illegible] I have the honor to report that I am [illegible] to do good service, my past Experience should satisfy you of that. I am not be able to perform a full field duty for six weeks or two months yet. I am not willing to perform Hospital duty for the half of two months, hence I am anxious to have my Co. business fixed up as soon as possible. I enclose postage stamps to pay Return Postage.

BY ORDER OF MAJOR GENERAL HALLECK.

Assistant Adjutant General.

Copy [illegible] Nov 1862

Lieut James E. Fleming of the 10th regiment of Missouri Volunteer Infantry having applied to me for a certificate on which to ground an application for the acceptance of his resignation, I do hereby certify that I have carefully examined this officer, and find that he is afflicted with Chronic Rheumatism from the effects of which he has been suffering since the 25th day of Sept. 1862, and in consequence thereof he is, in my opinion, unfit for duty.

I do further declare my belief that he will not be able to resume his duties in a less period than ——————; And I further declare my belief to be that the prospect of his recovering is distant and very uncertain. He is now and has been, since the middle of October last, when at Corinth, Miss. he came under my observation, — altogether too lame to perform duty, and that by remaining in the Army subject to the exposure incident to Camp life it is my belief that he will become permanently disabled.

Sir I ask a furlough because my father being dead and the family is dependent on me. I have information that my eldest Sister is lying at the point of death and her request is to see me before she dies. My presence at home would be a great satisfaction to me and my mothers family.

Head Quarters 10th Regt Iowa Vols.
Vicksburg Miss August 1st 1863

Sir

I hereby tender my immediate and unconditional Resignation
for the following reasons: what Property I possess in this State
[illegible] I have either given to my relatives or sold, generally
all but one Cooperage which I purchased from Parties whom I considered at
the time perfectly responsible but within the past few days I have
received notice that I am to be called upon to satisfy judgments to an
amount of one half this, requiring my personal attention at once
which is absolutely necessary to prevent serious pecuniary loss.
My Company is now reduced to 18 men for duty, the balance sick
and wounded in Northern Hospitals are unlikely to return, I now
have no Officer present for duty with the Company
[illegible] My Regiment is so much reduced in
numbers that under present Orders I will probably be consolidated
with a small number of Officers left in charge
I feel sorry to leave but I am not in any manner
responsible to the Government that I have ever been absent
from it. I shall without leave, that I have turned over all
Government property in my possession to the Officers authorized
to receive the same and that I was last paid by Paymaster
Major Eland to include the 30th day of June 1863

I am Very respectfully
Your Obedient Servant

Question Do you, or ~~do~~ not know of the prisoner James Foster, having thrown away Cartridges on the ~~march~~ from Second day of November 1863 and if so, state all you know about the matter.

Answer I was placed as guard over James Foster. I think by Capt Daugherty, on the first day of the march of the Regiment from Corinth to Grand Junction don't recollect the exact date, he took the Cartridges in his Cartridge box and threw them down in his bunk, between two of the Company tents, and said that he was not going to carry them. I think the Captain made him pick them up, I am not sure - dont know that they were damaged or rendered unfit for use.

Cross Examination by accused.

Capt David E Daugherty Co D 10th Reg Mo Inft'y a witness for the prosecution was then duly sworn.

Question. Do you know of accused having thrown away Cartridges issued to him. if so state when where and all

you know of the matter.

Answer. I heard that he had thrown away his Cartridges on the morning the Regt left Corinth Nov 2d 1862. I went to him and found Cartridges lying covered up by him which he acknowledged were his. I asked why he threw them out of his box, he made no reply and I made him put them back in his box, they were hidden in the ground & covered up.

Cross Examined by accused.

Question

Do you say that the Cartridges were covered up.

Answer - Yes, by straw I think.

Question Did I put the Cartridges back or did you

Answer. I ordered him to do it, don't remember which you did it or I myself.

Upon mature deliberation, the accused James Foster, Pvt Co. "D" 10th Regt Mo Inf. is found as follows

Of the Specification of 1st Charge, Guilty.

Of the 1st Charge ——— Guilty.

Of the Specification of 2d Charge Guilty.
